JASON RAIZOR PHOTOGRAPHY

A LITTLE BIT ABOUT ME...

I am Jason Raizor - photographer from the Stuttgart region. My photography style is authentic, expressive and moody.

I love music and concerts - the energised atmosphere, the emotions in front of and on stage, the interaction between audience and band.

I capture all of this in my photos and help you as a band to make your social media and website presence authentic and convincing.

This will strengthen the bond with your loyal and future fans!

WHAT CAN I OFFER

CONCERTS

I accompany you with my cam and capture the event – in front of the stage, on stage and also getting-ready and after-show-feelings in the backstage area.

BAND-PICS

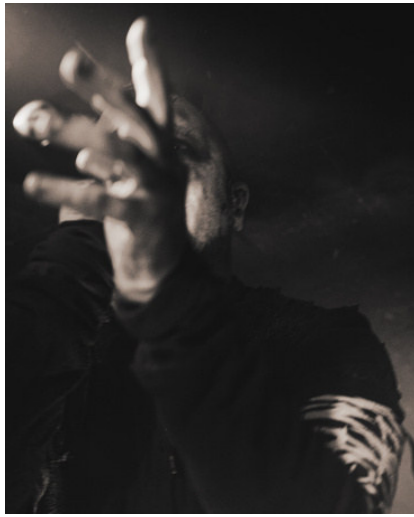

I design photos that are customised for you, your music and your image – creatively and away from "Stand in front of a concrete wall with your arms crossed".

LET'S TALK RATES
